

The Family Crisis Center Safe Shelter Christmas Wish List '10

410-285-7496

Each year as we prepare for the holiday season, the situation seems more desperate than the previous year. The financial crisis that society is facing makes leaving a violent home more difficult. Fewer jobs, higher food, clothing and housing prices all impact the ability our families have to survive on their own. This crisis has also impacted the financial ability of FCC to offer safe housing and services to these families who are fleeing their homes. Please consider donating the \$34 cost of a bednight as well as a gift.

The Wish List offers suggestions for gift ideas. Please feel free to be creative. Other items are also appreciated. Gifts do not need to be wrapped. Family members are almost as excited to wrap presents for each other as they are to open their own gifts. Rolls of wrapping paper and tape are appreciated.
